UPDATES

GOAL AREA 2

Priority Strategy: *Maximize community-clinical linkages*

- The CHW promotional document for healthcare providers and facilities is now available on DOH website
Document will be disseminated through newsletters, publications, and at conferences.
- CHW webinar held on May 16, 2019, 12-1pm CT was recorded and is now available on the DOH website
- Last workgroup call held in August:
 - Action plan includes: developing a CHW hiring guide, providing additional CHW training for healthcare providers/facilities, and establishing a CHW coalition/alliance.

What suggestions do you have on how to disseminate resources developed on CHWs?
Any other suggestions for year 3 activities to advance the CHW profession?

Community Health Workers

Community Health Worker Defined

A community health worker (CHW) is a frontline public health worker who is a trusted member of and/or has a unique understanding of the community served. This relationship allows the CHW to serve as a liaison between health/social services and the community.¹

Community health workers are identified by many titles:

HELLO
MY NAME IS

Community health adviser or representative
Health advocate, promoter, or educator
Outreach worker or educator

GOAL AREA 3

Objectives I & 2: Strategies A-C

1.

Reviewing the 2016/2018 EMS Needs Assessment as a group. Will identify areas that stick out as a potential project

2.

Conducting an assessment of current mobile integrated health plans to establish baseline prior to expansion

Objective 3: Strategy D

▪

DOH continuing to work with pilot community, Kimball, for Cardiac Ready Community Designation

▪

DOH working with Media by JP to develop promotional videos to bring awareness to the CRC program

▪

The Helmsley Trust grant will provide new AEDs to all law enforcement in the state; city, county, state, tribal, etc.

What needs do you have within your own organizations that can help guide year 3 work?

GOAL AREA 4

Priority 1: Quality Improvement

▪

QI Toolkit document uploaded

▪

Webinar on Toolkit November 6th

Priority 2: Awareness Campaign

▪

Media Toolkit posted to Cardiovascular Collaborative, Healthy SD and Good and Healthy SD websites

▪

Facebook posts: DOH, DOH chronic disease programs, & Heart Disease and Stroke Prevention Program

▪

American Indian specific messaging

▪

Targeting geographic locations with higher morbidity

What needs do you have within your own organizations that can help guide year 3 work?

QUALITY IMPROVEMENT TOOLKIT OUTLINE

INTRODUCTION

Welcome to the South Dakota Quality Improvement Toolkit! This Toolkit was created through a partnership between the South Dakota Department of Health and the South Dakota Cardiovascular Collaborative. The purpose of this Toolkit is to familiarize you with quality improvement processes as a way of improving clinical quality.

Improving Cardiovascular Healthcare
